

Eligibility Frequency Limits: The Sponsor may set limitations on how frequently an individual can be eligible to win more than one prize within a specified time period. For national sweepstakes/contests, an individual may win only once (1) every fifteen (15) days. However, the same individual may not win more than one prize to a specific event. For local sweepstakes/contests, an individual may win only once (1) every seven (7) days per station. An individual may not win more than three (3) times in one month (local and national combined). Only one (1) winner per household is permitted in any contest or sweepstakes. "Household members" shall mean people who share the same residence at least three (3) months a year.
