Ronald's Workshop

For the 78 families living in our House, the holidays are challenging. The stress of having critically ill children and mounting medical bills makes shopping for gifts nearly impossible. At Ronald's Workshop, we provide a place where parents can select toys for their children free of charge. Santa delivers the toys to the children in a special Christmas Eve celebration. With your help, we can give our families a Christmas to remember!

Guidelines

- To ensure the safety of the immuno-suppressed children living in our House, *all toys must be new and unwrapped.*
- *All donations should be valued between \$15 and \$40.* This helps us ensure that each child will receive a quality gift that is similar in value to those that other children may receive.
- The children living here would appreciate *the season's most popular toys or DVDs*, just like any child would!

Noise canceling head phones
Craft Kits

Santa Delivers to Parents, Too!

Help us bring some cheer to the amazing parents living here! We surprise each parent with a small gift bag of personal care items. So that each bag is equal in value, we welcome donations of at least 80 of each item.

Suggested items include:

Body wash, shampoo, conditioner, deodorant, mouthwash, hand or body lotion, hat and glove sets, scarves, playing cards, foot care sets, 2018 pocket calendars, travel-size hand sanitizers, tissues, travel umbrellas, small ice scrapers, small flashlights and various gift cards

All donations should be delivered to our House by **Sunday, December 17**. Donations can be dropped off to 350 Erkenbrecher Avenue, Cincinnati, OH, any day between 9 a.m. and 9 p.m.

Thank you very much for making the holiday season special for families who will be celebrating so far from home. Please contact **513-636-2760** or **JFisk@RMHouse.org** if you have any questions.
