Mobile, AL June 27, 2017— That adorable dog or cat that you adopt this Fourth of July weekend from Animal Rescue Foundation (ARF) will really rock a red, white and blue bandana at your Fourth of July celebration.

For the patriotic price of just \$17.76 you are doing your part to help save the lives of America's pets. ARF is joining Best Friends Animal Society's nationwide adoption promotion from July 1 to July 4. ARF is a member of Best Friends Animal Society's No More Homeless Pets Network.*

"We rescue pets who, through no fault of their own ended up homeless, all they need is for that perfect someone to see their awesomeness. When you adopt, we can save even more." said Ginger Welch.

For more information about ARF and how you can become part of their lifesaving work please email info@animalrescuemobile.org.

* The [No More Homeless Pets® Network](#) made up of hundreds of shelters, rescue groups and other animal welfare organizations in all corners of the country, is committed to saving the lives of homeless pets through collaboration and implementation of effective adoption, spay/neuter and intake prevention programs.

Animal Rescue Foundation is a non-profit organization founded in December 1995 dedicated to promoting the welfare and humane treatment of animals; through rescue, fostering and placement. About Best Friends Animal Society®

Best Friends Animal Society is the only national animal welfare organization dedicated to ending the killing of dogs and cats in America's shelters. A leader in the no-kill movement, Best Friends runs lifesaving programs in partnership with more than 1,800 rescue groups and shelters across the country; regional centers in New York City, Los Angeles, Atlanta and Salt Lake City; and the nation's largest no-kill sanctuary for companion animals. Founded in 1984, Best Friends has helped reduce the number of animals killed in shelters nationwide from 17 million per year to about two million. That means there are still nearly 5,500 dogs and cats killed every day in shelters, just because they don't have safe places to call home. We are determined to get that number to zero by the year 2025. Working together with you, we will end the killing and Save Them All!. For more information, visit bestfriends.org.
