"This late-released 2010 Cabernet Sauvignon reveals the structure and tannin of this vintage, which is more noticeable than in either 2012 or 2013. Plenty of blue and black fruits are present in this medium to full-bodied, pure, nicely textured Cabernet. Drink it over the next 15-20 years."

*92 POINTS *Wine Advocate*, October 30, 2014

"Cassis, anise, cherry and black licorice. The palate is expansive and filled with expensive oak nuances. Finishes long with full tannin. A must-try!"

"The nose is complex and of great depth, a mixture of black currant, raspberry and vanilla extract. The palate is meaty and develops its intensity and power across the entire length of the wine. The tannins are robust and well-integrated, promising a spectacular result after 3 to 5 years' cellar ageing (if you can wait that long!)."
