Four Flocks AND LARDER

Four Flocks: It's all about the fowl— chicken, turkey, duck, and quail. A classically upscale, yet comfortable Southern dining option, Four Flocks stuns with a larder and mezzanine area as well as a great outdoor patio with a view of the downtown Greenway. Get a classic cocktail at the bar, sit down for a mouth-watering meal, or enjoy the best dine-at-home option in Greensboro at our Quick Flight Bar. Our chef's table seats 28 and the mezzanine accommodates up to 45.

The Larder

Located inside Four Flocks, the Larder is great destination for bridal and shower gifts. Or, simply treat yourself.

hush

Greensboro's only Speakeasy!

Hush is a member's-only club open Tuesday-Saturday. With a hidden entrance and a door only accessible by code, Hush harkens back to the speakeasies of old. This location begs for a groom's night party, a bridal luncheon or post rehearsal dinner get-together.
