May 21, 2018

Early this morning, around 5:00 a.m. a group of Delphos Jefferson seniors were in route to New York City, for their class trip, by charter bus. The bus was in an accident and students and chaperones were taken to a local medical center. The school district has been working closely with the Pennsylvania State Highway Patrol, the Geisinger Medical Center and the charter company to make sure that the needs of the students and chaperones are being met. Everyone is safe and accounted for. Please keep all those involved and their families in your prayers. Any questions or concerns, please contact me at 419-695-1786.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin J. Wolfe". The signature is fluid and cursive, with the first name "Kevin" being the most prominent part.

Mr. Kevin Wolfe

Superintendent
