

Share gourmet food and fine wine with your history heros at a fun-filled dinner gala showcasing the work of seven historic Sacramento organizations: the California State Railroad Museum and Foundation, Sacramento Heritage Inc., Preservation Sacramento, Freemason's Masonic Temple, Tower Records, and the Sacramento Historical Society.

Arrive early, if you dare, for a back-stage tour of the mysterious 100-year-old Masonic Temple itself, rumored to house knowledge that carries a connection to the Knights Templar, the Maltese Falcon and The Da Vinci Code!

Hear Mick Martin and the Blues Rockers play the music of our lives. Enjoy a trip through Sacramento film history with Matias Bombal and be the first to know who receives the Enlightenment awards.
