We're serving brews for a benefit! Free Concert with Houndmouth

8:30 PM at The Duck Room at Blueberry Hill
(6504 Delmar Blvd. University City)

At Breckenridge Brewery, music is a big part of our Colorado roots. So as we travel across the country this summer to spread those roots, we throw a free, intimate concert at every city stop. And we're bringing Houndmouth to St. Louis! This talented, alt-pop crew is flying to Colorado the very next day to open at one of the nation's best venues (ok we're biased): RED ROCKS. And this is your chance to see catch them up close. This is a free event, but there is limited seating in the intimate venue. Vanilla Porter, White Ale, Hop Peak IPA, Mountain Gateway, Autumn Ale, and Avalanche will be available on draft.

Beers and Bites

6:00 PM – 8:00 PM at 1764 Public House
(39 N Euclid Ave. St. Louis)

We have worked with the chef at 1764 to create an elegant 4-course dinner menu – each dish crafted to complement a specific Breckenridge brew. We'll start with a welcome beer cocktail and a small bite, and then lead into the main event. The chef, along with one of our brewers, will walk you through each pairing to make sure you get the most out of your experience.
