

PRESERVING OUR HISTORY TRANSFORMING OUR COMMUNITY

The Montgomery YMCA had a vision for a better Montgomery for its citizens. Although our city's progression presented challenges, both black and white residents of Montgomery knew the importance of establishing a YMCA in the African American community. Out of this desire for community, the historic Cleveland Avenue YMCA was founded in 1947.

Programs include:

- The Brown Bag Bus feeding program
- Pre-K
- Youth sports
- Summer day camp
- After-school programs
- Swim lessons
- Track and field
- Memberships

The Cleveland Avenue YMCA, steeped in rich history, serves a population where low-income families cannot afford basic necessities such as nutritional food, adequate housing, and licensed childcare. We are excited to announce that we are investing in our community even more with an expansion of our facility. We will add an indoor pool in order to provide learn to swim programs and improve the quality of life for families in West Montgomery.

Fore Our Community

Our seventh annual golf tournament continues the long-standing tradition of helping children and families through the programs and services of the YMCA.

With your help, we hope to raise over \$75,000 to continue to address the many needs in our communities. The Cleveland Avenue YMCA Golf Tournament has helped more than 33,000 youth and families through the YMCA of Greater Montgomery Annual Giving Campaign.
