

American Red Cross

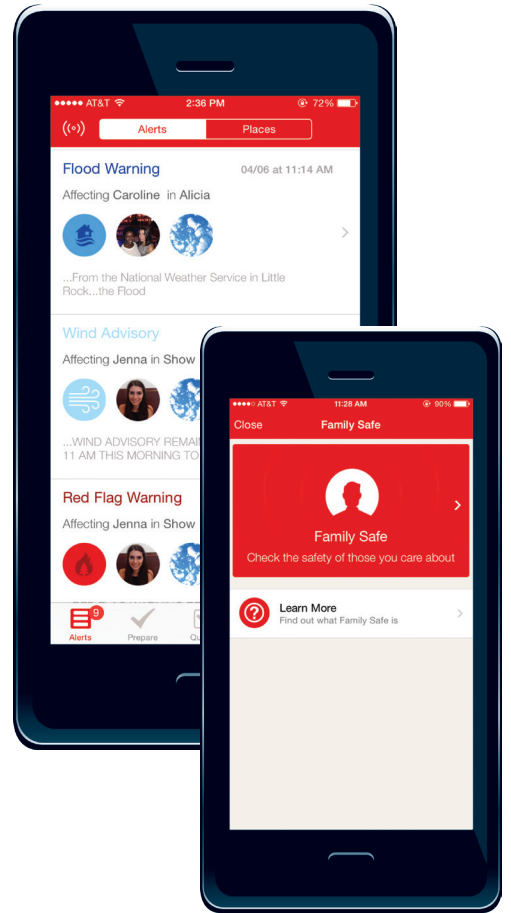

NEW Free Mobile App!

Real-time severe weather and emergency alerts, with steps on what to do next. All with the free Red Cross Emergency App.

Emergency is the one-download resource that puts vital information at your fingertips. This *all-inclusive* app combines more than 35 different severe weather and emergency alerts* from natural to man-made, giving you real-time information to help keep you and your loved ones safe.

The Red Cross Emergency app is highly customizable and informative:

- Choose the alerts that are important to your location
- Monitor activity across the country to know what is about to occur in the locations of your family and friends
- Activate “Family Safe” to notify loved ones that an alert has been issued in their area and check to see if they are safe
- Access information on what to do before, during and after an emergency strikes
- Gain guidance on topics from home fires and water safety, to first aid
- **Plus**, you can view all the content in Spanish!
