

Annual Bunco Bash

Bunco Bash is a night of dice rolling hilarity with great food, drinks, and a ton of fun! This event not only provides a fun evening out, but also provides needed funds for children and older adults to be served by the Retired and Senior Volunteer Program. Volunteers prepare young children to be ready to learn through tutoring and mentoring. Volunteers also increase access to food and socialization for seniors living at home alone. By participating in this event, you help us to improve the lives of children and seniors right here in our community.

PRE-K PALS

Seniors engage pre-schoolers in fun, literacy-based activities to help develop their social and emotional skills.

AMBASSADORS FOR CHILDREN

Seniors help foster children, teens and young adults feel valued by guiding them to find items that boost their self-esteem. Volunteers serve in the clothing or prom closet.

READING BUDDIES

Seniors ignite the love of literacy in a student in K-3rd grade through reading and relationship. Read books and play literacy games one-on-one with a child.

HOMEBOUND SHOPPING

Seniors assist homebound adults 60 and older to remain independent and in their own homes by grocery shopping and providing social interaction during each visit.
