VENDOR FAQ's (cont.)

What door do we go in to set-up? Can I go through the back doors?

All of the side/back doors will be unlocked during set-up time from 8a-8p on Friday. If you need assistance in opening the large overhead doors, please visit the KGBX info booth in West Hall. There is a loading dock on the East and West side of the E-plex if you need to back a truck up to unload. Please move your vehicle immediately after unloading so others may use the loading dock. If you are unloading in front of the building, please move your car to a parking spot when you are finished so other vendors may have access.

Am I allowed to walk around and pass out flyers during the show?

It is the policy of the Ozark Empire Fairgrounds that you **CANNOT** walk around the show handing out flyers. Please only hand out information from **INSIDE** your booth space.

I want to promote an event or contest I'm doing with competing media. It is against our policy for anyone to promote any event or contest that they may be doing with competing media.

I'd like to sample food/beverages. What are the sample sizes?

There is not a designated parking area for vendors. **However, we do ask that you park in the back of the lot by Norton Road so we leave the front spaces for our show guests.**

Is there somewhere to eat lunch during the show?

We highly recommend that you **use the exhibitors lounge to eat your lunch**, instead of your booth. There will be an **Exhibitors Lounge in CENTER Hall**. Lunch will NOT be provided. You will find iced tea and water between 9am & 2pm.

When can I tear down my booth?

The show ends at 4pm. **Please do not tear down your booth prior to that time.** When you tear down early, others begin to tear down and it causes a chain reaction.
