Headlights for **HOPE**

8:00PM

Friday, May 8th

Community members and first responders are invited to meet at Arvest Ballpark beginning at 7:45pm. Please remain in your vehicles and be mindful of social distancing.

Parade to Arkansas Children's Northwest begins at 8pm with a special blessing and music at 8:05.

Make sure you tune your radio to Kix 104.

Please see the important map on the back of this invitation.

We ask that all vehicles begin at the Arvest Ballpark parking lot, then follow the map above for parade route. This will allow patients and staff on both sides of our hospital to see the procession.

Thank you for helping celebrate our Healthcare Heroes!
