

(Capo on 2)

C G Am F
 Clock strikes upon the hour and the sun begins to fade
 C G Am F
 Still enough time to figure out how to chase my blues away
 Dm G C F
 I've done alright up 'til now, it's the light of day that shows me how
 Dm G (Dm) F
 And when the night falls, my loneliness calls

[Chorus 2x:]

C
 Oh! I wanna dance with somebody
 C
 I wanna feel the heat with somebody
 Am
 Yeah! I wanna dance with somebody
 F G (C)
 With somebody who loves me

C G Am F
 I've been in love and lost my senses spinning through the town
 C G Am F
 Sooner or later the fever ends, and I wind up feeling down
 Dm G C F
 I need a man who'll take a chance on a love that burns hot enough to last
 Dm G (Dm) F
 So when the night falls, my lonely heart calls

[Chorus 2x:]

C
 Oh! I wanna dance with somebody
 C
 I wanna feel the heat with somebody
 Am
 Yeah! I wanna dance with somebody
 F G (C)
 With somebody who loves me
