## Calling local artists: we need YOU.

Everyone is struggling with the effects of Coronavirus and the local art scene has been greatly impacted. So, we're here to do what we can to help through a new contest!

We'll choose 3 winners - one from Cincinnati, one from Columbus, and one from Kentucky- whose artwork will be on our next beer can and 6-pack box in that region! The new beer will be released on [December 7th](#) and will hit major retail stores, independent craft beer shops and all Taft's locations.

For your inspiration, the beer will be called "Paint the Town Hoppy". This beer will have mandarin orange and grapefruit aromas that are followed by notes of ripe papaya and golden pineapple.

If your design is chosen, you'll win \$250 cash, a friends and family release party at a Taft's location of choice, multiple features across Taft's social media channels, and more!

Deadline is [October 16th](#) at midnight.
