[Verse 1]

Am G C
I, I, I, I hope she makes you smile
G
The way it made me smile on the other end of a phone
F
In the middle of the highway driving alone
Am G C
Oh baby I, I, I, I hope you hear a song
G
That makes you sing along and gets you think about her
F
Then the last 7 miles turns into a blur, yeah

[Chorus]

Am
I hope you both feel the sparks
G
By the end of the drive
C
I hope you know she's the one

By the end of the night
G
I hope you never ever felt more free
F
Tell your friends that you're so happy

Am
I hope she comes along and wrecks
G
Every one of your plans
C
I hope you spend your last dime

To put a rock on her hand
G
I hope she's wilder than your wildest dreams
F
She's everything you're ever gonna need

Am
And then I hope she cheats
G C
Like you did on me
G
And then I hope she cheats
F
Like you did on me

[Verse 2]
