

Tabbed by Mike A

I saw some horrible attempts at this tune, which actually isn't that difficult... it's about 5 chords. Listen to the record and you'll get the timing, but watch out for the F# half-diminished in the bridge... it's pretty cool.

Intro

F C Am G
As long as you love me

Verse 1

Although loneliness has always been a friend of mine
I'm leavin' my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance
And how you got me blind is still a mystery
I can't get you out of my head
Don't care what is written in your history
As long as you're here with me

Chorus 1

I don't care who you are
Where you're from
What you did
As long as you love me
Who you are
Where you're from
Don't care what you did
As long as you love me

Verse 2

Every little thing that you have said and done
Feels like it's deep within me
Doesn't really matter if you're on the run
It seems like we're meant to be
