

[Intro]

Am C G F

[Verse 1]

Am C  
We clawed, we chained our hearts in vain  
G F  
We jumped, never asking why  
Am C  
We kissed, I fell under your spell  
G F  
A love no one could deny

[Pre-Chorus]

F Am  
Don't you ever say I just walked away  
C F  
I will always want you  
F Am  
I can't live a lie, running for my life  
C F  
I will always want you

[Chorus]

C  
I came in like a wrecking ball  
G Am  
I never hit so hard in love  
F C  
All I wanted was to break your walls  
G Am F  
All you ever did was wreck me  
Am F  
Yeah, you wrecked me

Am C  
I put you high up in the sky  
G F  
And now, you're not coming down  
Am C  
It slowly turned, you let me burn  
G F  
And now, we're ashes on the ground

[Pre-Chorus]

F Am  
Don't you ever say I just walked away  
C F  
I will always want you  
F Am  
I can't live a lie, running for my life

C F  
I will always want you

[Chorus]

C  
I came in like a wrecking ball  
G Am  
I never hit so hard in love  
F C  
All I wanted was to break your walls  
G Am F  
All you ever did was wreck me  
C  
I came in like a wrecking ball  
G Am  
Yeah, I just closed my eyes and swung  
F C  
Left me crouching in a blazing fall  
G Am F  
All you ever did was wreck me  
Am F  
Yeah, you wreck me

[Bridge]

F Am  
I never meant to start a war  
C  
I just wanted you to let me in  
Em  
And instead of using force  
F  
I guess I should've let you in  
Am  
I never meant to start a war  
C  
I just wanted you to let me in  
Em  
I guess I should've let you in  
F Am  
Don't you ever say I just walked away  
C F  
I will always want you

[Chorus]

C  
I came in like a wrecking ball  
G Am  
I never hit so hard in love  
F C  
All I wanted was to break your walls  
G Am F  
All you ever did was wreck me  
C  
I came in like a wrecking ball

G Am  
Yeah, I just closed my eyes and swung  
F C  
Left me crouching in a blazing fall  
G Am F  
All you ever did was wreck me

[Outro]

Am F  
Yeah, you wreck me  
Am F  
Yeah, you wreck me
