[Verse 1]

C G/B Am  
 For all the times that you rain on my parade  
 Dm C G/B  
 And all the clubs you get in using my name

 You think you broke my heart, oh girl for goodness sake  
 Dm C G/B

I don't but, you still hit my phone up  
                  C                  G/B                  Am

Dm          C                  G/B  
I don't wanna hold back, maybe you should know that

And now I know, I'm better sleeping on my own

[Chorus]

                  C                  G                  Am                  F

C                  G                  C  
Oh baby you should go and love yourself

You should go and love yourself

[Verse 2]

                  C                  G/B                  Am  
But when you told me that you hated my friends  
Dm          C                  G/B  
The only problem was with you and not them  
                  C                  G/B                  Am  
And every time you told me my opinion was wrong  
Dm          C                  G/B  
And tried to make me forget where I came from  
                  C                  G/B                  Am  
And I didn't wanna write a song cause I didn't want anyone thinking I still care  
Dm          C                  G/B  
I don't but, you still hit my phone up  
                  C                  G/B                  Am

For all the times that you made me feel small  
 I fell in love, now I feel nothin' at all  
 I never felt so low when I was vulnerable  
 Was I a fool to let you break down my walls?

[Chorus]

Cause if you like the way you look that much  
 Oh baby you should go and love yourself  
 And if you think that I'm still holdin' on to somethin'  
 You should go and love yourself

 Oh baby you should go and love yourself
