PLANTING A BETTER FUTURE

Last year we planted 2,193 trees total. 1,022 were mature trees planted locally at Laurel Park, Wasson Way and through the ReLeaf program with the Cincinnati Parks Foundation. 301 trees were planted by you all who chose to donate a tree with One Tree Planted in addition to your purchase on our shopping website. Lastly, 870 were from our partnership with Conscious Step where 10 trees are planted from every pair sold. This is incredibly amazing; however, we're just getting started. Cheers to 2021!

Local Local Local 2021 (12 Years of Local Beers)

3.50 pints on all local beers for 3 days! And there are a lot to choose from! On Thursday, Friday and Saturday, January 21st, 22nd and 23rd, Arnold's is celebrating all things local, but to be more specific Local Business, Local Beer and Local Music. For 11 straight years, this has been one of Arnold's biggest events. This however is not a normal year. For our 12th we still want to keep the tradition alive but obviously we also want to keep everyone safe. So no blowout party on a Saturday night like in years past. Our solution is to spread out the music and space out the patrons over 3 days instead of just one.

We will be following all Covid protocols, sanitizing, social distancing the tables and greatly limiting capacity. So, when we are full, we are full. Reservations are highly recommended, and they are likely to run out. They will also come with a 2-hour limit on the tables. Thank you for understanding.

When we started this thing it was much easier, there were only 6 local breweries! Now, there is literally one bajillion. Luckily for us we have expanded our draft system to accommodate a lot more. Normally we would have CEO and Head brewers from nearly every brewery in the city on hand to talk about their beers and hand out free swag. We can't do that this year. They would take up all the space! What we can do is offer 3.50 draft specials on every single local beer we have on draft for the entire 3 days and there will be over 12 to choose from! Breweries that will be on tap: Christian Moerlein, Listermann's, 50 West, Braxton, Little Kings, Urban Artifact, Rhinegeist, Madtree, Darkness, 16 Lots, Bircus, Sam Adams and more. Again, 16oz drafts from all of those breweries will be just 3.50!

For local music, we will not be having any large bands with horn sections like normal. We will have two solo acts each night playing from 4-9 on Thursday and 5-10 on Friday and Saturday. That is 15 hours of live music spread out between 3 days. Thursday we will have Preston Charles from 4-7 and Diamond Jim Dews from 7-9. Friday, we have Cheryl Renee from 5-7 and DeeJ from 8-10. For Saturday we Have Nicole Polera from 5-7 and Kendall Williams from 8-10.

Our specials menu will also feature an Appetizer and Entree infused with local brews from Arnold's renowned Chef Kayla Robison. Menu will be released in the coming days.

Let's Get Together!
