

Hello,

We hope your 2021 has been off to a great start! For us, we have been working hard behind the scenes to bring you the best beer possible.

2020 threw us for a loop. We know we're not alone here. From the unfortunate closings of many local restaurants, bars, breweries, and small businesses to losing loved ones to quarantining at home, the pandemic has touched us all in some way.

However, beer has the power to bring people together. From virtual happy hours to beer delivery to fundraising, the local craft community stepped up during these unprecedented times to showcase our strength. We are proud to be a member of the Cincinnati craft beer scene as we continue the legacy Christian Moerlein brought to the Queen City.

Since 1853, Christian Moerlein Brewing Company has called Cincinnati home, through the prohibition years and in 1981 when our beer was on the cutting edge of the craft beer revolution. **It was through Christian Moerlein's dedication and craftsmanship ways that influence our products today.**

Moerlein was a blacksmith by trade and used both his craft and innovation to shape metals. He brought this same mentality to his brewing and we honor his legacy [today](#) by crafting beers that stay true to our German heritage.

These are all terms utilized in the blacksmith field. And will soon mean something more to you very soon.

Thank you for enjoying our beer throughout the years! We are excited for this next phase of Moerlein and hope you are along for the ride.

Cheers,
The Moerlein team

Bock Beer returns to Cincinnati

Bockfest stumbles into its 29th year on **March 5 - March 7, 2021!** The annual celebration of bock beer, Cincinnati's brewing heritage, and the Coming of Spring returns in a slightly different format to let everyone celebrate safely.

Let's celebrate safely

Due to the ongoing pandemic, organizers did not feel that we could provide a safe environment for the Parade, Bockfest Hall, Sausage Queen, and other celebrated events while keeping up the spirit of Bockfest.

It's Bockfest, we're still gonna party!

However, we still have great bock beer from Cincinnati breweries like Christian Moerlein to drink and bockwurst from local butchers to eat, so we've created a series of packages to **celebrate Bockfest safely at home**.

We have two dozen participating breweries, bars, and restaurants where you can safely get your bock on on **March 5-7**.

Plus, Bockfest weekend will see the return of the historic walking tours along the Brewing Heritage Trail.

And you never know, you might even see a goat or two around town that weekend!

Visit www.Bockfest.com for all the details.
