JOIN JIMMY AS HE CELEBRATES HIS 25TH GOLF TOURNAMENT

Jimmy Malone, April Malone and Angela Malone started the Malone Scholarship Fund at College Now Greater Cleveland in 1993. The first year, three students received scholarships. Jimmy wanted to do more, and a friend convinced Jimmy to host a golf tournament so he could raise additional funds. In 1996 The Malone Scholarship Golf Classic was launched and has been one of the most successful tournaments in Ohio. Through the years, over 280 deserving students from high schools throughout Northeast Ohio, have received financial assistance to help them attend affordable colleges. The scholarship dollars are important, but the students also receive year round mentoring from the Malones, and their network of friends and sponsors.
