Effective 4/8/2019

FNN News, Sports & Business Formats

As with most FNN programming, the news, sports, and business reports are designed to be flexible and fit your format's needs. Cutaway netcues can be used to trigger your next automation event either before the commercial (spot needs to be scheduled elsewhere in the hour) or after the commercial.

FNN News Top of Hour Format:

0:00   [XDS NetCue "FNNTOHSTRT"]
          "This is Florida News Now…"
          "This is FNN – The Florida News Network"
2:00   [XDS NetCue "FNNTOHCTWY"]
          Commercial(s)
3:00   [XDS NetCue "FNNTOHEND"]

FNN News Bottom of Hour Format:

0:00   [XDS NetCue "FNN0101]
          "This is Florida News Now…"
          "This is FNN – The Florida News Network"
2:00   [XDS NetCue "FNN0102]
          Commercial(s)
3:00   [XDS NetCue "FNN0103"]

FNN News Minute Format:

0:00   [XDS NetCue "FNNMINSTRT]
          "This is Florida News Now…"
          "This is FNN – The Florida News Network"
1:00   [XDS NetCue "FNNMINEND]
