

Michael Brein, guest on the [10/25/21](#) show, shares his photos to accompany his appearance:

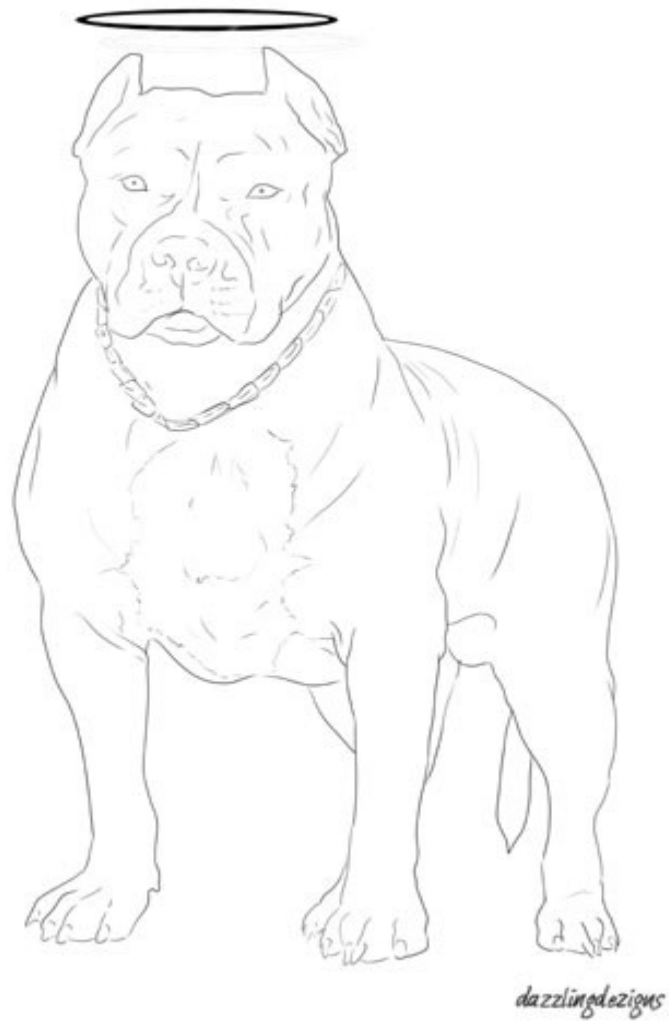

- 1) **Rosemary Ellen Guiley's "Ghost Kids" photo.** Rosemary (pictured upper left) was a giant and always a favorite of C2C and was my coauthor of my first two books of my *(The) Road to Strange* series. The story of this photo is related in *The Road to Strange: Travel Tales of the Paranormal*.

- 2) **The Haunted Hotel Transylvania!** Devon D. is in my latest book that I will talk about: *The Road to Strange: A Psychic Reader*. He had a haunting experience at the Hotel Transylvania. The story is about what happened to Devon and his girlfriend overnight at the Hotel Transylvania! He is pictured with his Transylvania T-shirt and Dracula tattoo.

- 3) **The Ghost Dog!** Ghost dogs are in. Here is a sketch that represents what Susan W. experienced on a few occasions in an apartment in Salt Lake City, UT. The story is in *The Road to Strange: Travel Tales of the Paranormal*. The story is about visitations of an alleged curious friendly ghost dog and another witness.

4) **The Haunted Hotel de Haro**, located in Roche Harbor, San Juan Island, WA. I could tell it was haunted the moment I set eyes on it. This story is in my book: *The Road to Strange: The Contiguous Universe*. The story is based on my three visits to the hotel over a three year period. It involves multiple haunting events.
