

**Robert Perala**, pictured lying in a crop circle, sent us two images. He writes:

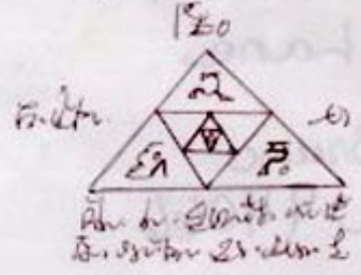

"The photo of this extraterrestrial (left) was taken by Jeff Greenshaw, the chief of police of Falkville, Alabama in October 1973. What you can't see is the tremendous bright light of colors that emanated from it. Three of these beings manifested before me on December 27th 1977 at 2:30 AM. I got a heck of a sunburn from them. The event changed my life forever...Details from the encounter can be found in Chapter 1 of *The Divine Blueprint*."

"The drawing you see on the right was done by a walk-in who claimed he had been brought here in a ship 34 years ago. This has sometimes been called the Language of Light...The only thing I was told about the drawing was the symbol at the top of the pyramid represents Psychology, the symbol to the left is Language, the symbol to the right is Focus and Beliefs."
