

Guest on the [3/21/22](#) show, Bill Douglas shares graphics related to the US crime rate and the Global Consciousness Project. He writes: We "created greater coherence in global consciousness," as reported below by the Princeton University born Global Consciousness Project, directed by Roger Nelson, of the Princeton University Engineering and Anomalies Research lab (PEAR).

Violent crime rates dropping as mind body practices spread throughout the planet.

Reported Violent Crime rate in the United States from 1990 to 2020 (per 100,000 of the population)

Source: FBI.gov (per Statista 2021) Release date: September 2021
