

REFORM **CALIFORNIA**

SAN DIEGO COUNTY **VOTING GUIDE**

Carl DeMaio, Chairman

Carl DeMaio and Reform California have released their “Plain English” voter guide to give you an easy-to-understand explanation of the ballot measures and grade candidates running in California.

California’s Primary Election is underway and ballots must be returned by June 7, 2022. With a bunch of confusing ballot measures and hundreds of candidates running for office, voters can feel overwhelmed and lost.

This “Plain English” voter guide makes voting simple – especially when it comes to the ballot measures and local offices that do not allow candidates to disclose their party affiliation. Endorsements below are given only to candidates who “passed the test” on these crucial criteria: opposing taxes, fighting crime, improving schools, creating jobs, and defending personal freedoms.

2022 offers a real chance for a wave election to block costly tax hikes and elect common-sense leaders - but to do that we need your help in turning out your friends, family and neighbors to vote and share this easy-to-understand voter guide with them!

Ballot Measures

[City of Carlsbad](#)

Measure C Appointive City Clerk

NO

Carlsbad currently has a City Clerk elected by you – the voters. This ballot measure would allow the City Council to appoint the City Clerk. City officials say it would “save money” but that claim is dubious. The City Clerk is an important position that is involved in election integrity and campaign finance oversight. City politicians could easily put pressure on staff that are easily replaced – whereas the voters can always hold an elected Clerk accountable at the ballot box.

All other local ballot measures have been moved to the November runoff election.

Election Integrity: The S.A.F.E. Way to Vote

Reform California has proposed a ballot measure to require voter ID in California for all future elections. Until that is law, we urge you to secure your vote using this S.A.F.E method:

SEND: Mail in your vote on Day 1 of the election. Do NOT wait until Election Day as the county has cut back on polling locations and long lines will suppress the vote. Voting on Day 1 also gives you the full 30 days of the election to fix problems and verify your vote is counted!

AUDIT: Track and verify your ballot was 1) received and 2) counted online at www.SDVOTE.com. Check every few days until your vote is verified.

FIX: If your vote is not shown as received and counted by day 20 of the election, go to the nearest Polling Center near you and demand a second "provisional" ballot and vote in-person. Do NOT wait until Election Day.

EXAMINE: Sign up as a volunteer with our Election Integrity team to monitor the counting of ballots.
