## STORY

---

Nines are Wild is a refreshing oasis for thirsty travelers on life's dusty highway. Our ninth anniversary brew wrangles clean, bready malt undertones with a bright, citrusy lasso of hops for an exceptionally crisp take on an IPA. Well, it's been a wild nine years...it's nice to hop out of the saddle, take in the scenery, and jaw a bit, but we better get movin'...so long, pardner, and happy trails. Here's to another nine years and then some.
