THIS ONE'S JAM-PACKED – SO MUCH TO KNOW, SO MUCH TO DO ...

Mark your calendars, August is going to be BIG.

First, you've likely seen the signs and heard the news – yep, the new bridge project is progressing, which means Grandin Road will be closed for roughly 90 days, starting [Tuesday, August 2](#).

Fear not – access to Cartridge will still be easy, you just need to head our way via Kings Ave – from exit 25 off I-71 (Kings Mills Rd/OH-741), Kings Island Drive, or Mason Morrow Milgrove Rd (from State Route 48).

Grandin may be closed, but know we are open – and appreciate you taking a few extra mins to detour your way to us. Most of all, know that your continued loyalty and patronage are so very valuable (and needed!) as we navigate what will become a great new bridge for our area (despite the minor headache it brings now).

Next up, just as important, with summer's slowdown, school days soon-to-start and Grandin Road closing, we have shifted our operating hours a little ... we're now closed on both Monday and Tuesday, and opening doors a bit later on Friday (*but with a new bonus Happy Hour that starts earlier, too!*).

New operating hours start NOW.

For the Fans!

We asked, you voted, and the results are in! The Fanny Pack is a fan-selected collection of certified bangers from our tasty history. That is right, some of your favorite brews are back in action: Peach Dodo Gose, Cougar Blonde Ale, Puma Pilsner and Mosaic Pale Ale. Too good to be true? Just downright awesome?!? Yes, yes, and then some.

Keep an eye out for the Fanny Pack on shelves near you beginning this week. Need help? Head over to the [Beer Finder](#). It's been a while since some of these brews have been out in the wild, so a bit of re-introduction may be in order. To get the lowdown on these tasty encores, head on over to the [blog](#), or read on below!
