

REFORM CALIFORNIA CALIFORNIA VOTING GUIDE

Carl DeMaio, Chairman

Carl DeMaio and Reform California have released their “Plain English” voter guide to give you an easy-to-understand explanation of the ballot measures and grade candidates.

California’s General Election is underway, and ballots must be returned by November 8, 2022. With a bunch of confusing ballot measures and hundreds of candidates running for office, voters can feel overwhelmed and lost.

This “Plain English” voter guide makes voting simple – especially when it comes to the ballot measures and local offices that do not allow candidates to disclose their party affiliation. Endorsements below are given only to candidates who “passed the test” on these crucial criteria: opposing taxes, fighting crime, improving schools, creating jobs, and defending personal freedoms.

2022 offers a real chance for a wave election to block costly tax hikes and elect common-sense leaders - but to do that we need your help in turning out your friends, family and neighbors to vote and share this easy-to-understand voter guide with them!

How to Use the Guide – 4 Sections:

Step 1: Review Statewide Ballot Measures

Step 2: Review Statewide Candidate Races

Step 3: Review Legislative Candidate Races (Congress/State Legislature)

Step 4: Review all Tax Increase Ballot Measures in California

Statewide Ballot Measures

Prop 1 — NO

Official Title: Constitutional Right to Reproductive Freedom. Legislative Constitutional Amendment. *Plain English Translation: Eliminates Any Restrictions on When Abortions Can Be Performed.*

Prop 1 is being sold publicly as merely a codification of a pro-choice position in the California state constitution, but it actually goes far further than that. The actual text of this ballot measure would repeal the current ban on abortions after 23 weeks of a pregnancy and allow the right to a late-term abortion up to the moment of birth. Prop 1 would give California one of the most extreme abortion laws in the country. This measure may also interfere with existing state laws that allow for Sexually Violent Predators to be placed under mandatory chemical treatment to limit their sex drive and desires. Reform California recommends a NO vote.

Prop 26 — NO

Official Title: Allows In-Person Roulette, Dice Games, Sports Wagering on Tribal Lands. Initiative Constitutional

Amendment. *Plain English Translation: Protects Tribal Gaming Rights but Enriches Trial Lawyers Through More Frivolous Lawsuits.*

Prop 26 affirms the current practice of allowing only federally recognized Native American tribes to operate roulette, dice games, and sports wagering on tribal lands, subject to compacts negotiated by the Governor and ratified by the Legislature. It would also allow on-site sports wagering at privately operated horse-racing tracks in specified counties for ages 21 and up. Unfortunately, the measure contains a “poison pill” to expand the use of the Private Attorneys General Act (PAGA) to allow unscrupulous trial attorneys to file frivolous lawsuits to shakedown small businesses. Reform California recommends a “NO” vote on Prop 26.

Prop 27 — NO

Official Title: Allows Online and Mobile Sports Wagering Outside Tribal Lands. Initiative Constitutional Amendment and Statute. *Plain English Translation: Allows Private*

Businesses to Engage in Online Gambling to Compete with Native American Tribes.

Prop 27 would expand gambling in California beyond casinos currently operated by Native American tribes by allowing private businesses to operate online and mobile sports wagering for persons 21 and up. Native American tribes say this competition from private businesses will undermine their ability to fund programs for their tribes. Reform California recommends a NO vote.

Prop 28 — NO

Official Title: Provides Additional Funding for Arts and Music Education in Public Schools. Initiative Statute. *Plain English Translation: Earmarks Mandatory Funding from the Existing State Education Budget for Arts and Music Programs.*

Prop 28 is an earmark - or a requirement that the state spend at least a certain amount of funds from the state budget for the exclusive benefit of art and music programs. The earmark mandates that 1% of required state funding be set aside for arts and music programs and then allocates a greater proportion of the funds to schools serving more economically disadvantaged students. Earmarks are not free money - so any earmark will have to come at the expense of other important programs — including programs for fundamental academic areas like reading, writing, arithmetic, etc. Reform California recommends a NO vote.

Prop 29 — NO

Official Title: Requires On-Site Licensed Medical Professional at Kidney Dialysis Clinics and Establishes Other State Requirements. *Plain English Translation: Imposes Costly Regulations on Kidney Dialysis Clinics to Benefit Organized Labor Unions.*

Prop 29 may be familiar to voters since it has been rejected TWICE before in 2018 and 2020. Why does it keep appearing on the ballot? Wealthy labor unions force the measure on the ballot to impose new costly regulations on kidney dialysis clinics that would benefit the interests of the unions. Prop 29

requires specific medical personnel on site during treatment at outpatient kidney dialysis clinics - whether or not the personnel are even needed. The measure also increases mandatory state reporting and prohibits clinics from closing or substantially reducing services without state approval. A "no" vote keeps your doctors and clinics more independent from state control. Reform California recommends a NO vote.

Prop 30 — NO

Official Title: Provides Funding for Programs to Reduce Air Pollution and Prevent Wildfires by Increasing Tax on Personal Income Over \$2 Million. *Plain English Translation: TAX INCREASE - Increases Income Taxes to Fund a Variety of New Government Programs.*

Prop 30 is a massive income tax increase - even though California already has the highest income taxes in the country of any state. Prop 30 imposes a 1.75% tax increase for personal incomes over \$2 million. Revenue for the proposition aims to go toward climate change measures, but the definition of programs eligible for these new funds is quite broad as to allow the funds to be used in a wide range of ways. Reform California recommends a NO vote.

Prop 31 — NO

Official Title: Referendum on 2020 Law that Would Prohibit the Retail Sale of Certain Flavored Tobacco Products. *Plain English Translation: Should California Ban the Sale of Flavored Tobacco?*

Prop 31 is a "referendum" or question on whether a proposed state law should be implemented or rejected. State Senate Bill, SB 793, which prohibits the retail sale of certain flavored tobacco products and tobacco flavor enhancers. A "yes" vote would uphold and pass the law into effect, banning the retail sale of these flavored tobacco products. A "no" vote would overturn the law and tobacco companies would be allowed to sell flavored tobacco products in the state.

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure C is a massive tax increase on pot shops. A NO vote will block this tax increase.

City of Arcadia

Measure HT — NO

Hotel Tax

Measure HT is a massive tax increase on out-of-town guests by 2%. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. While the measure claims to fund parks, roads, and public safety, we find those claims dubious. A NO vote stops this tax increase.

Measure SW — NO

Gambling Tax

Measure SW is a massive tax increase on sports wagering of 5%. While the measure claims to fund parks, roads, and public safety, we find those claims dubious. A NO vote stops this massive tax increase.

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure CB is a massive tax increase on pot shops. A NO vote will block this tax increase.

City of Carson

Measure R — NO

Utility Tax

Measure R is essentially a massive tax increase. It is an extension of the current 2% utility tax rate, and it would last

until ended by voters (in other words: permanently). A NO vote blocks the tax rate from continuing, effectively giving city residents a tax cut! Vote NO to lower your tax bill.

Cerritos Community College District

Measure CC — NO

Property Tax

Measure G is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of Claremont

Measure CT — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure CT is a massive tax increase on pot shops. A NO vote will block this tax increase.

Compton Unified School District

Measure AAA — NO

Property Tax

Measure AAA is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of Cudahy

Measure BA — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure BA is a massive tax increase on pot shops. A NO vote will block this tax increase.

City of Culver

Measure BL — NO

Business Tax

Measure BL is a massive tax increase on business licenses, generating an additional \$10 million for the city. While the city claims the revenue will fund emergency services, parks, and homeless prevention, the measure contains loopholes allowing the money to be diverted to other projects with little accountability. A NO vote blocks this tax increase.

City of Downey

Measure D — NO

Hotel Tax

Measure D is a massive tax increase on out-of-town guests by 4%. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. While the measure claims to fund parks, roads, and public

safety, we find those claims dubious. A NO vote stops this tax increase.

Downey Unified School District

Measure ES is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of El Monte

Measure OT — NO

Hotel Tax

Measure OT is a massive tax increase on out-of-town guests by 4%. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. While the measure claims to fund public safety and public works projects, we find those claims dubious. A NO vote stops this tax increase.

City of El Segundo

Measure BT — NO

Business Tax

Measure BT is a massive tax increase on businesses, generating an additional \$10 million for the city. While the city claims the revenue will fund emergency services, parks, and homeless prevention, the measure contains loopholes allowing the money to be diverted to other projects with little accountability. A NO vote blocks this tax increase.

Measure Y — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure Y is a massive tax increase on pot shops. A NO vote will block this tax increase.

City of Hermosa Beach

Measure B — NO

Sales Tax

Measure B is a massive sales tax increase of 0.75%. While the measure claims to fund roads and public safety, it actually contains loopholes to allow the funding to be diverted to any project. A NO vote stops this massive tax increase.

Measure T — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure T is a massive tax increase on pot shops. A NO vote will block this tax increase.

Las Virgenes Unified School District

Measure S — NO

Property Tax

Measure S is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

Long Beach Unified School District

Measure Q — NO

Property Tax

Measure Q is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks these backroom deals and saves taxpayers millions.

City of Los Angeles

Measure SP — NO

Property Tax

Measure SP is a massive tax increase on parcels — in other words a land/property tax. While proponents claim the measure will fund parks, childcare, and “equity,” we find these claims dubious. A NO vote blocks this massive tax increase.

Measure ULA — NO

Property Tax

Measure ULA is a massive tax increase on sales and transfers of property. Revenue from the measure will allegedly fund “affordable housing programs resources for tenants at risk of homelessness,” but we find those claims dubious. “Affordable” housing programs waste taxpayer funds to benefit politically connected developers. A NO vote blocks this massive tax increase and waste of taxpayer money.

Los Angeles Community College District

Measure LA — NO

Property Tax

Measure LA is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers billions.

City of Lynwood

Measure TR — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure TR is a massive tax increase on pot shops. A NO vote will block this tax increase.

City of Malibu

Measure MC — NO

Sales Tax

Measure MC is a massive sales tax increase of 0.5%. While the measure claims to fund public safety, homeless prevention, and more, we find those claims dubious. The measure contains loopholes allowing funds to be diverted to other projects with little accountability. A NO vote blocks this tax increase.

City of Monrovia

Measure MM — NO

Property Tax

Measure MM is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of Monterey Park

Measure MP — NO

Sales Tax

Measure MC is a massive sales tax increase of 0.75%. While the measure claims to fund public safety, parks, homeless prevention, and more, we find those claims dubious. The measure contains loopholes allowing funds to be diverted to other projects with little accountability. A NO vote blocks this tax increase.

Palmdale School District

Measure PRM — NO

Property Tax

Measure MM is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of Pasadena

Measure L — NO

Property Tax

Measure L is effectively a massive tax increase on parcels — in other words a land/property tax — by continuing the current parcel tax which is set to expire. While proponents claim the measure will fund library services, we find these claims dubious. A NO vote blocks this massive tax increase.

Pasadena Area Community College District

Measure PCC — NO

Property Tax

Measure PCC is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of Pico Rivera

Measure AB — NO

Business Tax

Measure AB is a massive tax increase on business licenses, generating \$5.8 million for the city. While the city claims the revenue will fund emergency services, roads, and homeless prevention, we find those claims dubious. A NO vote blocks this tax increase.

City of Pomona

Measure PS — NO

Property Tax

Measure PS is effectively a massive tax increase on parcels — in other words a land/property tax. While proponents claim the measure will fund road improvements, we find these claims dubious. A NO vote blocks this massive tax increase.

City of San Marino

Measure Z — NO

Property Tax

Measure Z is effectively a massive tax increase on parcels — in other words a land/property tax. While proponents claim the measure will fund public safety and school improvements, we find these claims dubious. A NO vote blocks this massive tax increase.

City of Santa Monica

Measure CS — NO

Property Tax

Measure CS is a massive tax increase on transfers of property. Revenue from the measure will allegedly fund “affordable housing,” schools, and more, but we find those claims dubious. A NO vote blocks this massive tax increase.

Measure GS — NO

Hotel Tax

Measure HT is a massive tax increase on out-of-town guests by 1% and homeshares by 3%. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. While the measure claims to fund parks, roads, and public safety, we find those claims dubious. A NO vote stops this tax increase.

Measure DT — NO

Property Tax

Measure DT is a massive tax increase on sales and transfers of property. Revenue from the measure will go straight into the city general fund to be used on any project the city wishes, with little accountability. A NO vote blocks this massive tax increase.

Measure HMP — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure HMP is a massive tax increase on pot shops. A NO vote will block this tax increase.

Santa Monica Community College District**Measure SMC — NO**

Property Tax

Measure SMC is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

City of South El Monte**Measure CM — NO**

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure CM is a massive tax increase on pot shops. A NO vote will block this tax increase.

Measure X — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure X is a massive tax increase on pot shops. A NO vote will block this tax increase.

City of South Gate**Measure PD — NO**

Business Tax

Measure PD is a massive tax increase on business licenses. While the city claims the revenue will fund public safety, roads, and parks, the measure contains loopholes that allow the funding to be diverted to other projects. A NO vote blocks this tax increase.

City of South Pasadena**Measure LL — NO**

Property Tax

Measure LL is effectively a massive tax increase. It is an extension of the current special tax rate, and it would last until ended by voters (in other words, permanently). A NO vote blocks the tax rate from continuing, effectively giving city residents a tax cut! Vote NO to lower your tax bill.

Wiseburn Unified School District**Measure EE — NO**

Property Tax

Measure EE is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this bond and saves taxpayers millions.

Marin County**Measure B — NO**

Parcel Tax

Imposes a \$98 parcel tax on property owners, for 9 years.

Ross Elementary School District**Measure C — NO**

Parcel Tax

Imposes a \$1,550 parcel tax on property owners, for 10 years.

City of Belvedere**Measure D — NO**

Documentary Transfer Tax

Imposes a transfer tax on property sales of \$8 per \$1,000 in sales price of real property. The tax increase would last 30 years.

Town of Corte Madera**Measure E — NO**

Parcel Tax

Massive tax increase! Extends an existing parcel tax of \$78 on residential property and \$78 per 1,000 square feet for nonresidential property, for 4 years.

Town of Fairfax**Measure F — NO**

Parcel Tax

Massive tax increase! Extends an existing parcel tax of \$94.50 on residential property and \$94.50 per 1,500 square feet for nonresidential property, for 4 years.

City of Larkspur**Measure G — NO**

Sales & Use Tax

Increases an existing sales and use tax by 0.25%, indefinitely (permanently).

Town of San Anselmo**Measure H — NO**

Parcel Tax

Massive tax increase! Extends an existing parcel tax of \$70 on property owners, for 9 years.

Measure J — NO

Sales & Use Tax

Increases an existing sales and use tax by 1%, for 9 years.

City of Sausalito**Measure L — NO**

Sales & Use Tax

Increases an existing sales and use tax by 1%, for 10 years.

Community Facilities District No. 2022-1**Measure M — NO**

Property Tax

Authorizes a \$23 million general obligation bond to purchase the "Martha property" on the Tiburon Peninsula, to be repaid through a property tax of \$335 and increasing 2% annually.

County Service Area No. 27**Measure N — NO**

Property Tax

Imposes a parcel tax of \$94.50 on residential property and \$94.50 per 1,500 square feet for nonresidential property, for 4 years.

Inverness Public Utility District**Measure O — NO**

Property Tax

Imposes a parcel tax of \$0.20 per square feet of improved parcels and a \$150 parcel tax on vacant parcels, indefinitely (permanently).

Monterey County**Measure Q — NO**

Parcel Tax

Imposes a parcel tax of \$49 on property owners, for 10 years.

Salinas Elementary School District**Measure G — NO**

School Bond

Authorizes a \$74.5 million bond to be repaid through a property tax increase.

Measure H — NO

School Bond

Authorizes a \$75 million bond to be repaid through a property tax increase.

City of King City**Measure I — NO**

Sales & Use Tax

Increases an existing sales and use tax by 0.5%, for 10 years.

City of Monterey**Measure J — NO**

Cannabis Tax

Imposes a massive tax increase of 2-8% on pot shops.

Washington Union School District**Measure K — NO**

School Bond

Authorizes a \$13.5 million bond to be repaid through a property tax increase.

City of Sand City**Measure L — NO**

Sales & Use Tax

Increases an existing sales and use tax by 0.5%, indefinitely (permanently).

City of Pacific Grove**Measure N — NO**

Cannabis Tax

Imposes a massive tax increase of 6% on pot shops.

City of Gonzales**Measure P — NO**

Sales & Use Tax

Massive sales tax increase. The measure extends an existing 1% sales and use tax for another 20 years.

Santa Rita Union School District**Measure R — NO**

School Bond

Authorizes a \$24.9 million bond to be repaid through a property tax increase.

Napa County**Napa Valley Unified School District****Measure A1 — NO**

School Bond

Authorizes a \$200 million bond to be repaid through a property tax increase.

Measure A2 — NO

School Bond

Authorizes a \$25 million bond to be repaid through a property tax increase.

Calistoga Joint Unified School District**Measure B — NO**

School Bond

Authorizes a \$41 million bond to be repaid through a property tax increase.

Fairfield-Suisun Unified School District

Measure S — NO

School Bond

Authorizes a \$249.6 million bond to be repaid through a property tax increase.

Nevada County

Measure V — NO

Sales & Use Tax

Increases an existing sales and use tax by 0.5%, for 10 years.

Orange County

Measure G — NO

Parcel Tax

Measure G is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. Moreover, this bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks these backroom deals and saves taxpayers millions.

Measure J — NO

Hotel Tax

Measure J is a massive tax increase on out-of-town guests. It imposes the requirement on hotel booking websites to collect and remit hotel occupancy taxes to the city of Anaheim at the city's current rate of 15%, generating up to \$3 million annually for the city. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. The City Council has engaged in rampant wasteful spending that needs to be fixed before they consider raising taxes on the people. A NO vote stops this tax increase.

Measure O — NO

Business Tax

Measure O is a massive tax increase on pot shops. While the measure claims to fund "homeless prevention," "parks," and "safety," it contains loopholes that allow the funding to be diverted to any project the city wishes. A NO vote will block this tax increase.

Measure P — NO

Hotel Tax

Measure P is a massive tax increase on out-of-town guests. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. The City Council has engaged in rampant wasteful spending that needs to be fixed before they consider raising taxes on the people. A NO vote stops this tax increase.

Measure T — NO

Business Tax

Measure T is a massive tax increase on pot shops. While the measure claims to fund "traffic," and "law enforcement," it contains loopholes that allow the funding to be diverted to

any project the city wishes. A NO vote will block this tax increase.

Measure W — NO

Business Tax

Measure W is a massive tax increase. The measure restructures the tax code to apply a flat tax on business licenses, but raises the rates on most businesses and allows them to increase year-over-year with inflation — now at record highs. While the measure argues it will shift the tax burden to big businesses and smaller businesses will pay less, that's not true. Home-based businesses may pay less to start, but other small businesses will suffer an increase — and all rates will increase over time with inflation. A NO vote blocks this tax increase.

Measure Y — NO

Sales Tax

Measure Y is lying to voters on the ballot because it constitutes a massive tax increase. The measure would extend the current 1% sales tax rate that voters approved in 2016, and it would last for 20 more years. A NO vote blocks the tax rate from continuing, effectively giving city residents a massive tax cut! Vote NO to lower your tax bill.

Placer County

City of Colfax

Measure B — NO

Hotel Tax

Massive tax increase on hotel guests to 12%, indefinitely (permanently).

City of Roseville

Measure C — NO

Hotel Tax

Massive tax increase on hotel guests to 10%, indefinitely (permanently).

Hotel Tax

Massive tax increase on hotel guests by extending the current tax rate of 10% indefinitely (permanently).

City of Big Bear

Measure P — NO

Hotel Tax

Massive tax increase on hotel guests to 9%, indefinitely (permanently).

City of Ontario

Measure Q — NO

Sales & Use Tax

Increases an existing sales and use tax by 1%, indefinitely (permanently).

City of Montclair

Measure R — NO

Cannabis Tax

Imposes a massive tax increase of 7% on pot shops.

San Diego County

Measure A — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure A is a massive tax increase on pot shops. While the measure claims to fund “parks, fire safety, roads, health, and social equity,” it contains loopholes that allow the funding to be diverted to other projects. A NO vote will block this tax increase.

City of San Diego

Measure B — NO

Garbage Tax

Measure B is a massive tax increase that creates a “Garbage Tax.” If this new Garbage tax is imposed, each homeowner will be forced to pay \$350-500 more per year in higher taxes. In 1919 San Diegans allocated and earmarked a portion of their property tax revenues to cover trash pickup – so city politicians are enacting double-taxation with this move. A NO vote will stop the Garbage Tax. Read more information (<https://kogo.iheart.com/featured/california-this-week/content/2022-07-29-carl-demaio-launches-campaign-to-defeat-san-diego-garbage-tax/>)

Measure U — NO

Parcel Tax

Measure U is effectively a massive tax increase on city residents through a bond. Bonds are government loans that must be paid back by taxpayers. This bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks this measure and saves taxpayers millions.

City of Escondido

Measure E — NO

Sales Tax

Measure E is a massive tax increase that will cost you an extra \$200 or more per year. Politicians say Measure E will fund specific areas such as “safety” and “homeless” — but they use these words only because they polled these terms, and they think they will entice you into supporting the measure. In fact, the city’s own budget and fiscal forecast proves these claims to be false. Measure E does NOT require politicians to spend the new sales tax on the services claimed. Instead, the city’s own financial plans have the proceeds being diverted to cover salary hikes and overly generous pension payouts to city workers. A NO vote blocks this tax hike. City of Encinitas

Measure L — NO

Business Tax

No matter where you stand on the issue of legalized marijuana use, Measure L is a massive tax increase on pot shops in Encinitas. While the measure claims to fund “law enforcement, fire, emergency medical services, street improvements and recreation,” it contains loopholes that allow the funding to be diverted to other projects. A NO vote will block this tax increase.

City of Imperial Beach

Measure R — NO

Hotel Tax

Measure R is a massive tax increase in Imperial Beach on out-of-town guests by 4%. While the measure and proponents may argue this tax is paid by hotels and motels, they pass that fee onto guests. The Imperial Beach City Council has engaged in rampant wasteful spending that needs to be fixed before they consider raising taxes on the people. A NO vote stops this tax increase.

City of El Cajon

Measure P — NO

Sales Tax

Measure P is a massive tax increase in El Cajon that will cost you an extra \$200 or more per year. Politicians say Measure P will fund specific areas such as “safety” and “homeless” — but they use these words only because they polled these terms, and they think they will entice you into supporting the measure. In fact, the city’s own budget and fiscal forecast proves these claims to be false. Measure P does NOT require politicians to spend the new sales tax on the services claimed. City of Lemon Grove

Measure Q — NO

Parcel Tax

Measure Q is effectively a massive tax increase on Lemon Grove city residents through a bond. Bonds are government loans that must be paid back by taxpayers. What’s worse, bond funds won’t just go toward “improving schools” — they will be given out to special interests who contribute to school board members. The school construction contracts are

awarded through project labor agreements (PLAs), a type of agreement that benefits unions who support school board members and discriminates against small and minority-owned non-union companies. Moreover, this bond is being used as a replacement for improving efficiency with current resources. A NO vote blocks these backroom deals and saves taxpayers millions.

City of Solana Beach

Measure S — NO

Sales Tax

Measure S is a massive tax increase in Solana Beach that will cost you an extra \$200 or more per year. Politicians say Measure S will fund specific areas such as “safety” and “homeless” — but they use these words only because they polled these terms, and they think they will entice you into supporting the measure. In fact, the city’s own budget and fiscal forecast proves these claims to be false. Measure S does NOT require politicians to spend the new sales tax on the services claimed. Instead, the city’s own financial plans have the proceeds being diverted to cover salary hikes and overly generous pension payouts to city workers. A NO vote blocks this tax hike.
