Subject: SB23-025 - A Choice for Colorado Residents
Importance: High

Dear Senator Buckner:

As a patriotic citizen who served our Country and as a proud Colorado resident, I urge you to support SB23-025.

That Bill creates a Colorado "In God We Trust" Special License Plate honoring our National Motto, as approved by bipartisan legislation in the United States Congress.

Those four words are echoed on our paper money, coinage, as well as, in and on buildings across America.

You represent a very diverse group of residents in District 29 and throughout the Centennial State.

Passing this Bill without prejudice levels the playing field and provides all your constituents and Colorado residents who own a motor vehicle an option.

Choice, freedom of expression and religion, underpin our Nation's core values.

Please expeditiously do your part to ensure SB23-025 becomes law.

Respectfully,

John Priecko
