Listermann is turning 15! Mark your calendars for our Anniversary Party on Saturday, September 9th!

This is a non-ticket event. Doors open at noon!

We will be releasing four specialty anniversary beers along with two barrel-aged meads!

Introducing the first beer of our 15th Anniversary lineup, XV!

XV is a blend of two barrel-aged Imperial Stouts. One was aged in a Wilderness Trail bourbon barrel, and the second was aged in Apple Brandy barrels before an additional rest in freshly-dumped Four Roses bourbon barrels.

The second beer of our 15th Anniversary lineup is King Bjorn!

We aged Wrath of Bjorn, our English-inspired Barleywine, in Private Select Maker's Mark barrels, taking this already intensely flavorful brew to new heights. Enjoy bold notes of dried cherries, nutty English toffee, and Grandma's homemade caramels!

We will announce bottle limits and pricing on Friday.

Live music with Dave Campbell II 6pm-8pm

Stay tuned to our social media pages over the coming weeks for updates. We will begin announcing our anniversary beer lineup soon! We can't wait to celebrate with you!

COLLABORATION BEER RELEASE!

THIRD EYE
BREWING COMPANY

HAMILTON COMMON

COMMON ALE

We got together with our friends at Municipal Brew Works to brew this classic style ale for Hamilton Hospitality Week. Similar to an American amber ale but with more traditional hops and a cleaner yeast profile. The flavor is slightly fruity with grainy maltiness along with some toasted caramel notes. Enjoy this tribute to one of the original craft beer styles.
