

Welcome to the 27th Annual WHO Radio Tractor Ride:

We have three very exciting routes planned for you! On Monday, we will go north out of Boone to Stratford and into Story City for lunch before cruising back through rural Boone County. Tuesday, we head south to Madrid then south to Alleman before heading back towards Boone thru Woodward and Ledges State Park. On Wednesday, we wrap up this year's ride with a ride thru Pilot Mound and then to rural Boone County and our new friends at Landus. Have fun, be safe, and enjoy all that Boone has to offer!
