

CINCINNATI BEER WEEK

October 11 | All Day

Cincy Beer Week is back, and we're thrilled to take part in this celebration of craft beer and the community it's created here in this city.

Enjoy a special **German Beer Flight** with us on 10/11, featuring four taproom-exclusive styles:

- **Oaked Dunkel:** a dark, but easy-drinking lager with a super smooth mouthfeel from the oat
- **Passt Zu Schnitzel:** a hefeweizen brewed in collaboration with Third Eye Brewing
- **Cheers to Cincy:** a traditional German Pilsner brewed for BLINK and featuring the mural from our production brewery
- **Joyful Goat:** a weizenbock that was the winner of the Butler County Homebrew Society's homebrew competition

Join us in celebrating the craft beer community!

October 11 @ 2:00 pm - 11:00 pm **Operation Pumpkin Porter Release**

Wiedemann's 1st Annual Oktoberfest

OCT. 11-12th., 2024 in St. Bernard, Ohio

Mark your calendars now for the first annual **Wiedemann's Oktoberfest**, featuring authentic German beer, cuisine, and entertainment! Festivities will kick off with a keg-tapping of **Wiedemann's Oktoberfest Marzenbier** on Friday Oct. 11th.

The main event will be **Saturday Oct. 12th.**, with several participatory activities on the schedule — including a Chug-A-Lug Relay Run that will test your abilities to both chug and lug. Another keg tapping is in order as well, this one being a favorite German bier — to be chosen by popular vote. Also, a cornhole tournament, a “stein hoist” competition unlike any you’ve done before, and other fun stuff! Afterall, they don’t call it Augustfest or Semptemberfest, **It's OKTOBERFEST!**

POURING FOR NEIGHBORS

WNC HURRICANE RELIEF

Asheville has played a massive part in our journey in life and the brewery. When we saw the catastrophic damage caused by Hurricane Helene, our hearts broke. We knew we had to help our friends. Watch for more of the Local Breweries to join this cause.

We planned a stout season kick off to celebrate the return of [Cincy Beer Week](#) next Friday 10/11. We thought this would be a great event to raise funds as many of these stouts have been inspired by our trips to Asheville.

We are releasing limited quantities of 4 stouts in bottles and on draft:

Tilberi: Oreo Stuffed

Tilberi: Caramel Vanilla Latte

Viator Obscura: Fluffer Nutter

Viator Obscura: S'mores

Starting next Friday 10/11 and going all weekend long, we'll be donating \$2 per stout bottle, \$2 per stout flight and \$1 per stout pour to the North Carolina Disaster Relief Fund. It is where the NC Brewers Guild has asked the donations to go.

Join us and pour one for our neighbors
