Barleycorn's Brewhouse to support Wilder, KY First Responders with 'Wildfire' brew

Link NKY by [Staff Report](#) March 17, 2025

Just on the outskirts of Newport sits Barleycorn's Brewhouse, a sit-down restaurant/brewery offering locally tapped drinks and food in Wilder.

This year, the Wilder Fire Department canceled its annual fish fry, citing rising prices. In support, Barleycorn's Brewhouse is releasing its "Wildfire" Irish Red Ale.

Barleycorn's Brewhouse in Wilder tapped the first pour Wednesday.

A portion of all sales generated during the event will benefit Wilder's first responders directly. A chance auction will also feature prizes donated by numerous local businesses that have come together to support the cause.

Wildfire Red Ale is even brewed in the town's historic former firehouse.

"Brewing beer in Wilder's historic firehouse makes this event especially meaningful," Barleycorn's Brewhouse Brewmaster Shane Trego said in a press release. "We're honored to give back to the first responders who serve our community every day, and we're grateful for the many local businesses that have joined us in supporting them."

Wildfire will be available for a limited time only, so guests are encouraged to stop by and enjoy this special brew while supporting a great cause.

Barleycorn's Brewhouse is located at 402 Licking Pike in Wilder. Find more information at barleycornsbrewhouse.com.

Some Upcoming fun info on the events at Municipal Brew Works.

We are tapping our **10-66** (ten sixty-six) **Helles Bock** this weekend. This beer was brewed for our upcoming "Pinewood Pursuit" pinewood derby event with the Hamilton Fraternal Order of Police. "10-66" was the old Hamilton Police Department code for "drunk and disorderly conduct." lol. It's a deceptively light helles bock but comes in at around **7% ABV**.

We're raising awareness of our "Pinewood Pursuit" pinewood derby race being held on Sunday May 4th starting at 2pm. Here's your chance to build your own car and not pretend it's for a child. LOL. There is a \$20 charge to race your car, and all proceeds go toward the Hamilton FOP Honor Guard and their "7 in Heaven" campaign to restore the headstones and memorials of the 7 HPD officers who were killed in the line of action (in HPD's history). We'll have blank car kits available at the brewery along with the car rules.

You'll need to stop by for this. It should be a blast.
