MORE FOR YOU See all

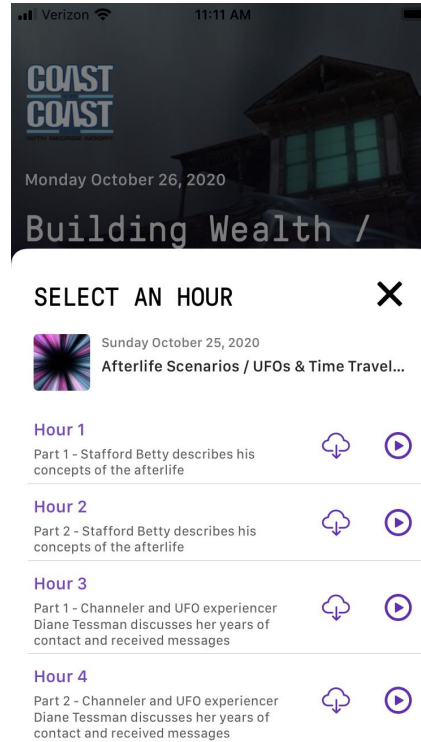

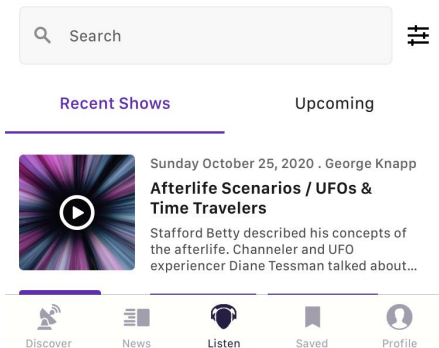

Discover News Listen Saved Profile

Listen

For the first time ever, you can access our entire back catalog. In the Listen tab you'll be able to sort through our past shows, play and save each episode from the last five years. This feature is only available for Coast Insiders.

- Select the show you want to listen to.
- Press the **Play Show** button

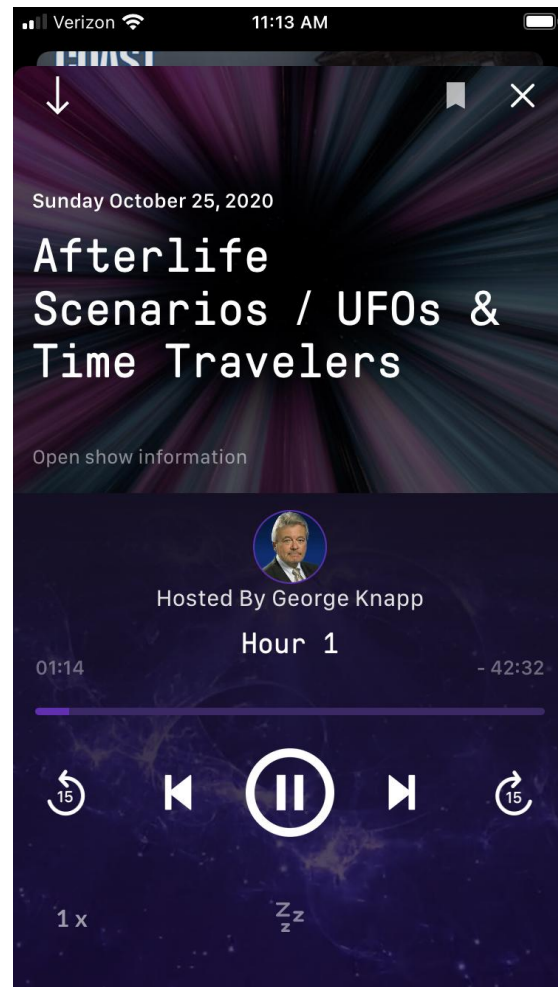

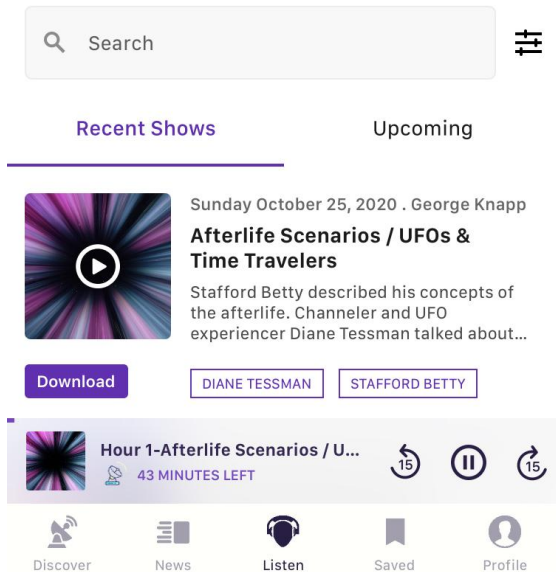

- Select the hour you wish to listen to.

Visit <https://www.coasttocoastam.com/coastinsider> to become a Coast Insider.

- The selected hour will start to play, and the controls will show up as a mini player.
- The mini player allows you to pause and **rewind** or **fast forward** 15 seconds.
- The mini player opens to fill your screen once you click on the text.
- This screen expands your controls. You can now skip to a different hour and scrub through the episode using the progress bar.
- Selecting the **1x** option on the bottom left allow you to change the speed of playback.
- The **Zzz** below the pause button allows you to put the app to sleep after a period of time.
- Additionally selecting the **arrow** in the top left brings back the mini player, the **bookmark** icon saves your show and the **X** closes the player.

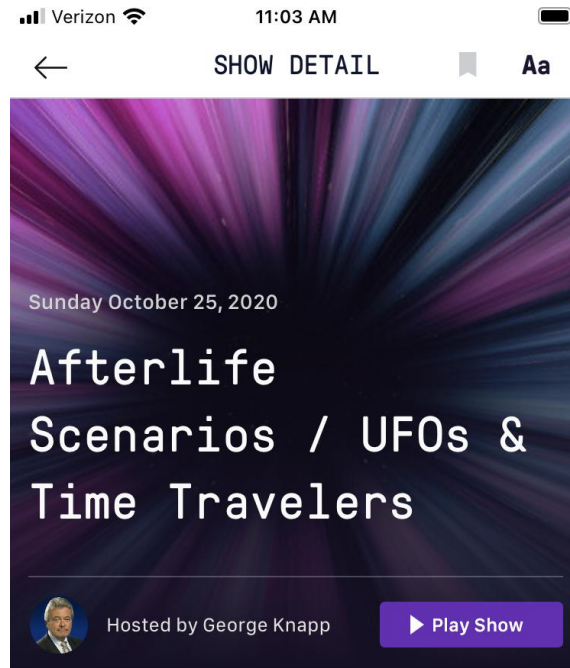

Saving and Downloading

The app allows you to save shows and articles by bookmarking them.

Saving

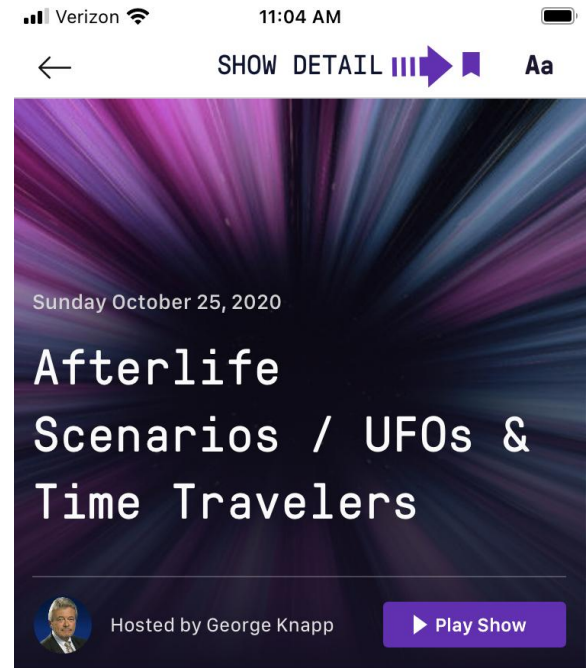

To bookmark a show, you'll need to open it and click on the bookmark icon on the top right. Once you select it, it will change to a **purple color**. This confirms that this show is now saved.

ABOUT THE SHOW

Downloading

- To download an episode you can hit the play button for any show or select the **purple Download button** on the listen tab.
- Once you click either button you'll see an option to play or download an episode.
- Click on the download button and once that episode is downloaded you will see this icon. ✓

NOTE: For those interested in permanently collecting Coast to Coast AM shows, we recommend using iTunes Podcast, as future versions of the C2C app may not retain your saved files.

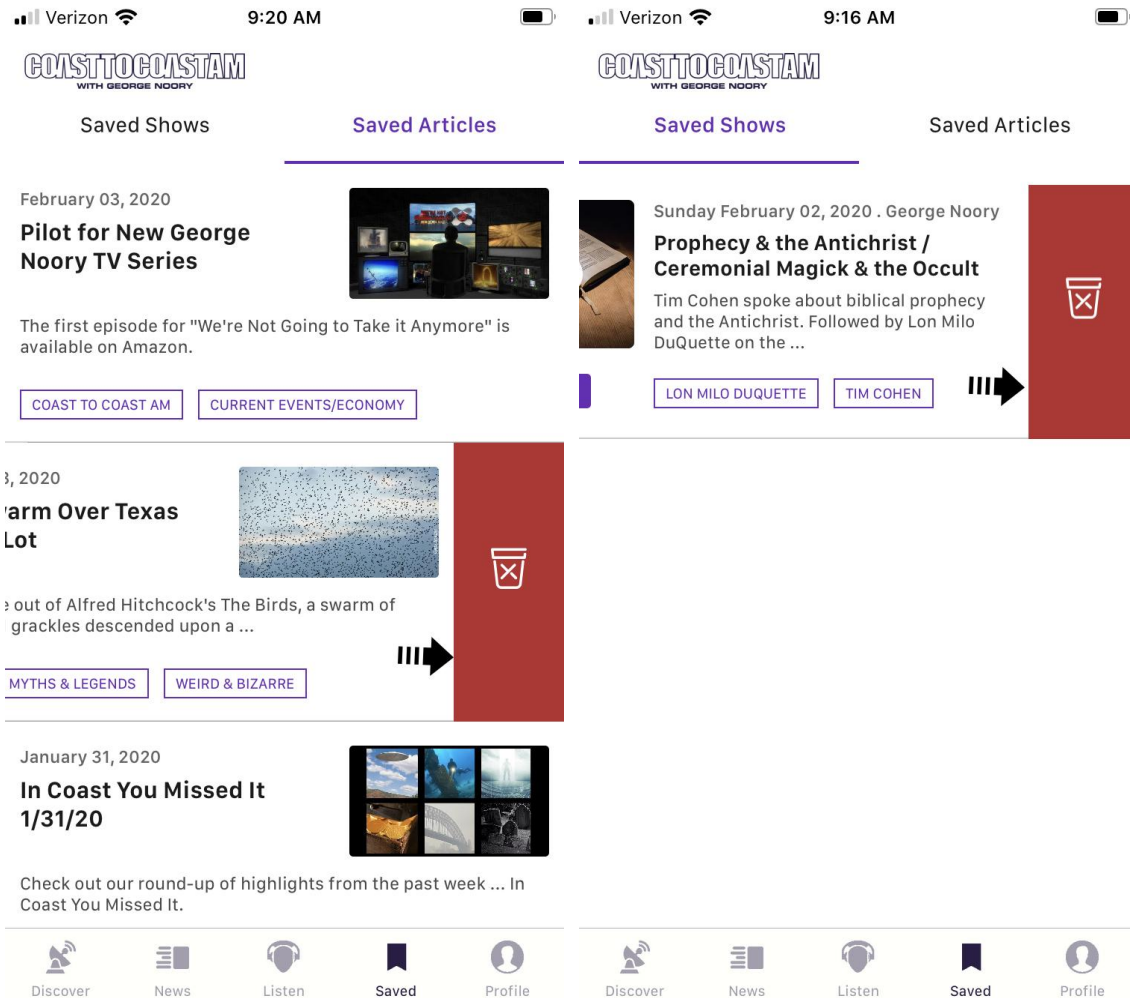

- Saved shows and articles are available on the **Saved** tab.
- If you downloaded all of the show's hours, you'll see a **Saved** icon below the play button. If you did not save each hour you'll continue to see a **Download** button.
- The downloaded hours will play when the app is **offline**.
- When **offline** you'll only see the hours you downloaded when the play button is selected
- To download last night's show, click the **bookmark icon**, and then go the **Saved** screen, where you will have access to the **Download** feature. This method also works for older shows you may run across while searching the back catalog.

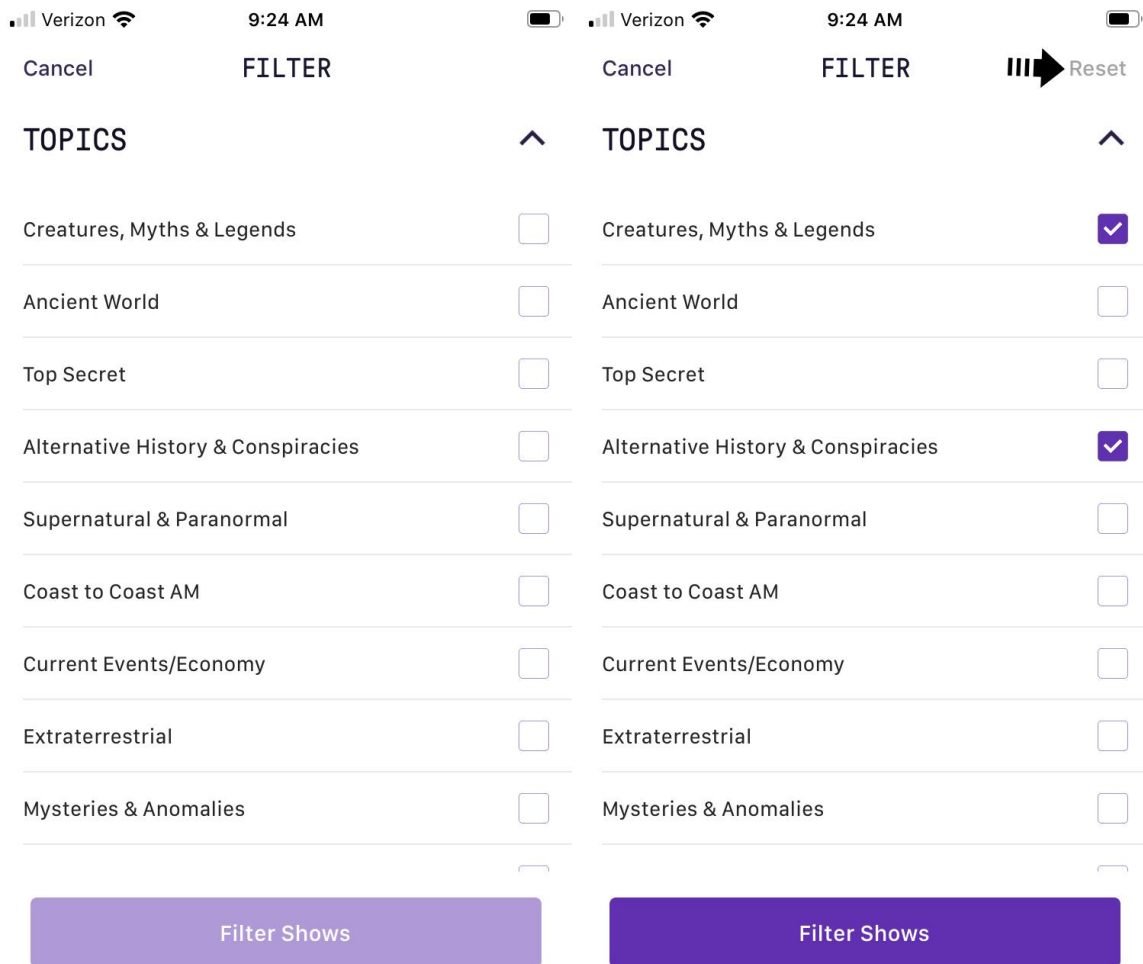

Deleting Saved Content

- In order to **delete** saved content from the app you can **swipe left** on the each item.
- Once you **swipe left** you'll see a **red box** with a trash can.
- Selecting the **trash can** will remove the saved content.

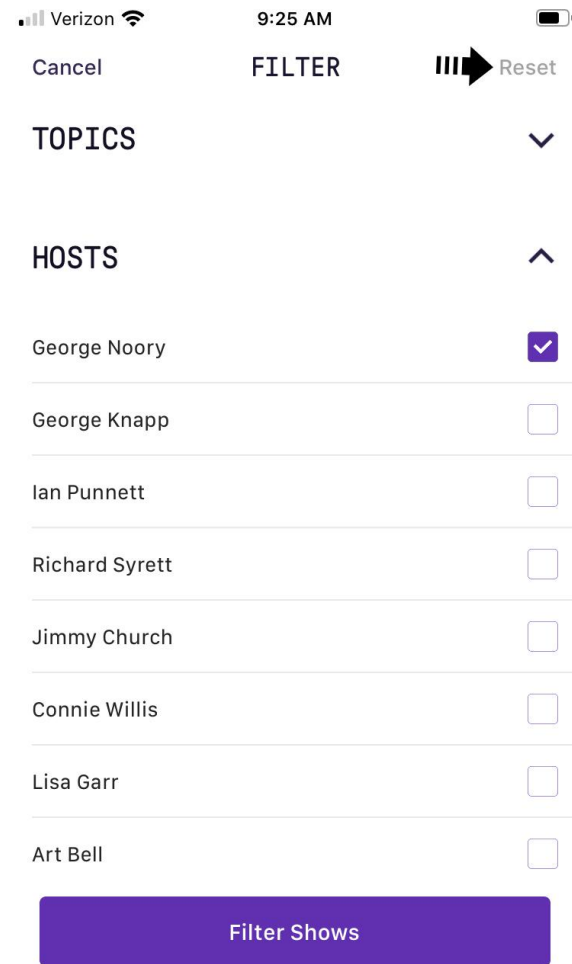

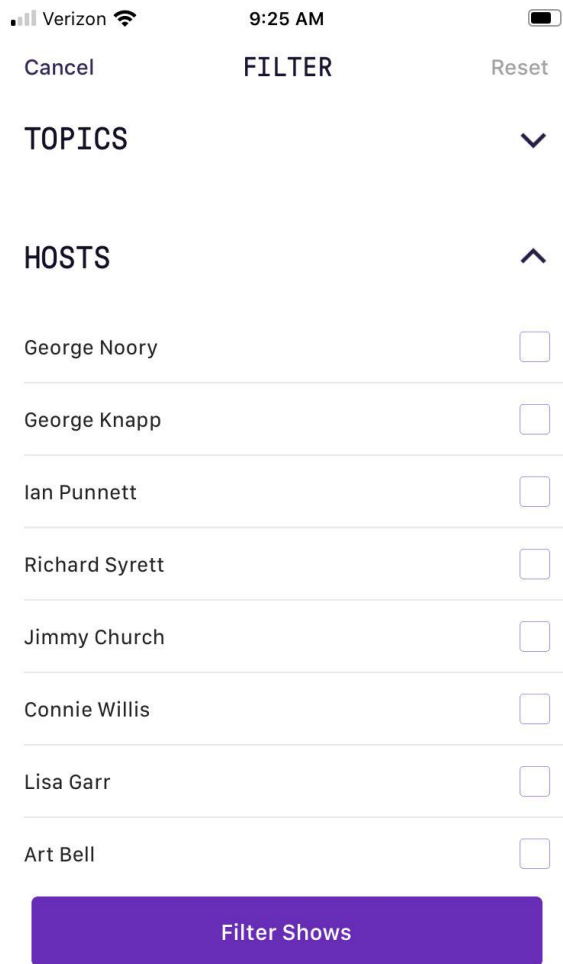

Filtering

- You can filter shows by years, topics or host.
- To begin, click on **Filter** icon next to the search bar from the **Listen** tab.
- Click on **Topics** and select the category you wish to view. You can select multiple categories.
- Once you select the desired topic you can click on the **Filter Shows** button.
- In order to see all results you'll need to click on the **Reset** button on the top right.

- To filter shows by **Hosts** you'll need to do the following.
- Click on **Hosts** and select the host you wish to view. You can only select one host.
- Once you select the desired host you can click on the **Filter Shows button**.
- In order to see all results you'll need to click on the **Reset** button on the top right.

Searching

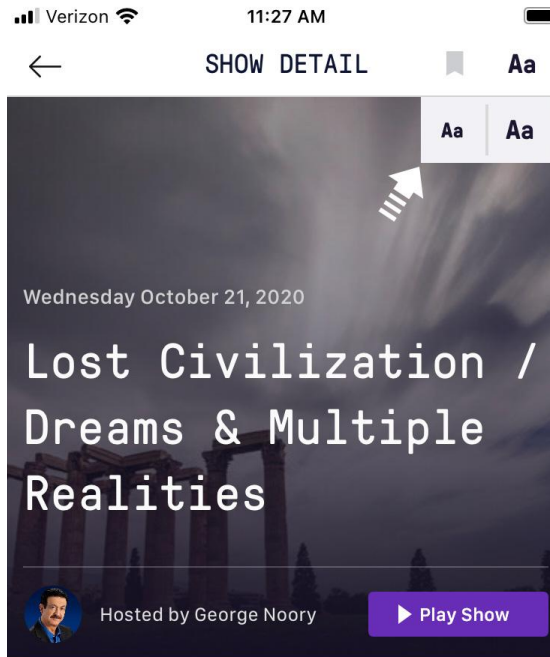

- You can search our backlog of shows, articles and guest.
- Enter the terms you are looking for in the search box.
- Navigate the tabs to display content in each category.

The screenshot shows a mobile application interface. At the top, the status bar displays 'Verizon' and '11:26 AM'. Below the status bar is a large promotional banner for a show titled 'COAST COAST' with the subtitle 'MUSIC LEGENDS & MANAGEMENT / PAST LIVES OF PETS'. The banner includes the date 'Thursday May 07, 2020', a host photo, and the text 'Hosted By George Noory' and a 'Play Show' button. Below the banner is a search bar with the text 'Search' and a hamburger menu icon. Underneath the search bar are two tabs: 'Recent Shows' (selected) and 'Upcoming'. The 'Recent Shows' section displays a card for a show on 'Wednesday May 06, 2020' titled 'Roger Stone Update / Amazing NDE Case', with a brief description. At the bottom of the screen is a navigation bar with five icons: 'Discover', 'News', 'Listen', 'Saved', and 'Profile'.

The screenshot shows a mobile application interface with search results for 'conspiracy'. At the top, there is a search bar with the text 'conspiracy' and a 'Cancel' button. Below the search bar are three tabs: 'Shows' (selected), 'Articles', and 'Guests'. The 'Shows' section displays a list of search results. Each result includes a date, a title, and a brief description. The results are: 1) 'Saturday January 09, 2016' with the title 'Conspiracy Insights' and description 'BUZZSAW host Sean Stone joined guest host Jimmy Church (email) to share his insights on conspiracies and current even...'. 2) 'Wednesday November 21, 2007' with the title 'Global Conspiracy' and description 'Author and speaker David Icke returned for a discussion on his new work on the 'Global Conspiracy.' This conspiracy goes back th...'. 3) 'Wednesday April 04, 2012' with the title 'The Food Conspiracy' and description 'James Colquhoun, director of the film Food Matters, along with health and nutrition expert, Daniel Vitalis, offered insight on w...'. 4) 'Tuesday September 04, 2012' with the title 'Oil Conspiracy/ Marijuana & Health' and description 'In the first half, author Jerome Corsi argued...'. Each result card features a play button icon.

Changing Font Sizes

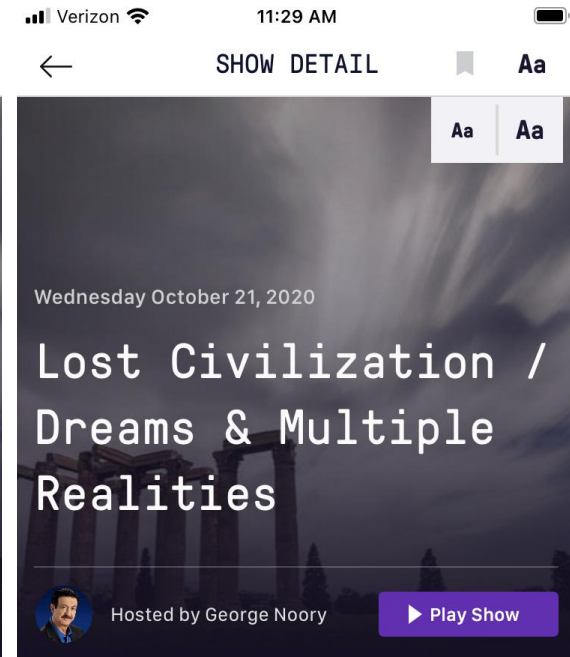

- You can change the font size to meet your needs on articles, show pages, guest pages and the Art Bell Vault.
- Select the aA icon at the top of the page you are on and increase or decrease the font size as needed.

ABOUT THE SHOW

An unconventional thinker who raises legitimate questions about humanity's history and prehistory, author [Graham Hancock](#) discussed his work examining evidence for an advanced civilization, lost to history in a global cataclysm. We've been taught that North and South America
