COAST TO COAST AM
WITH GEORGE NOORY

MOBILE APP TUTORIAL
Discover Screen

The discover screen is the app’s homepage, here you’ll find information on tonight’s program, access the most recent shows, recent articles, guests, the Art Bell Vault, Classics shows, filter by category and listen to the live stream at broadcast time.
News

The news tab showcases our most recent articles as well as unique stories from the web.

You can press the **See all** button to display all of our stories.

If you’re interested in a particular category then you can select it by swiping left on top where it says **Top Stories**.
Listen

For the first time ever, you can access our entire back catalog. In the Listen tab you’ll be able to sort through our past shows, play and save each episode from the last five years. This feature is only available for Coast Insiders.

- Select the show you want to listen to.
- Press the Play Show button

- Select the hour you wish to listen to.

Visit https://www.coasttocoastam.com/coastinsider to become a Coast Insider.
- The selected hour will start to play, and the controls will show up as a mini player.
- The mini player allows you to pause and **rewind** or **fast forward** 15 seconds.
- The mini player opens to fill your screen once you click on the text.
- This screen expands your controls. You can now skip to a different hour and scrub through the episode using the progress bar.
- Selecting the **1x** option on the bottom left allow you to change the speed of playback.
- The **Zzz** below the pause button allows you to put the app to sleep after a period of time.
- Additionally selecting the **arrow** in the top left brings back the mini player, the **bookmark** icon saves your show and the **X** closes the player.
Saving and Downloading

The app allows you to save shows and articles by bookmarking them.

Saving

To bookmark a show, you’ll need to open it and click on the bookmark icon on the top right. Once you select it, it will change to a purple color. This confirms that this show is now saved.
To bookmark an article, you can select the bookmark icon at the bottom left. Once you select it, it will change to a **purple color**. This confirms that this article is now saved.

**Pilot for New George Noory TV Series**

Monday February 03, 2020

The pilot for George Noory's new TV series is available on [Amazon](http://amazon.com) (with free viewing for Prime members). Called *We’re Not Gonna Take It*, this talk program delves into issues that matter but rarely get discussed. With the same intelligent and friendly style that attracts millions of nightly listeners to his radio show in more than 600 markets, George interacts with special guests, studio audience members, and his co-host Peter Vaccaro.

With the same intelligent and friendly style that attracts millions of nightly listeners to his radio show in more than 600 markets, George interacts with special guests, studio audience members, and his co-host Peter Vaccaro.
Downloading

- To download an episode you’ll need to click on the **purple Download button** on the listen tab.

- Clicking Download allows you to select the hour you want to download.

- Click on the download button and once that episode is downloaded you will see this icon.

**NOTE:** For those interested in permanently collecting Coast to Coast AM shows, we recommend using iTunes Podcast, as future versions of the C2C app may not retain your saved files.
• Saved shows and articles are available on the Saved tab.

• If you downloaded all of the show’s hours, you’ll see a Saved icon below the play button. If you did not save each hour you’ll continue to see a Download button.

• The downloaded hours will play when the app is offline. If you are using data or WiFi you will continue to stream them.

• When offline you’ll only see the hours you downloaded when the play button is selected.
Deleting Saved Content

- In order to **delete** saved content from the app you can **swipe left** on each item.

- Once you **swipe left** you'll see a **red box** with a trash can.

- Selecting the **trash can** will remove the saved content.
Filtering

- You can filter shows by topics or host.
- To begin, click on Filter from the Listen tab.
- Click on Topics and select the category you wish to view. You can select multiple categories.
- Once you select the desired topic you can click on the Filter Shows button.
- In order to see all results you’ll need to click on the Reset button on the top right.
To filter shows by **Hosts** you’ll need to do the following.

Click on **Hosts** and select the host you wish to view. You can only select one host.

Once you select the desired host you can click on the **Filter Shows button**.

In order to see all results you’ll need to click on the **Reset** button on the top right.
Art Bell Vault

- For the first time ever, The Art Bell Vault is available in our mobile app. This ongoing curated collection features classic Art Bell programs in which the legendary C2C host talked to renowned paranormal researchers about a vast array of strange and unusual topics as well as unforgettable episodes featuring one-of-a-kind callers with fantastic stories and mysterious individuals with some truly amazing claims.

- You can access the Art Bell Vault from the Discover Screen.

- The Art Bell Vault is **not available for downloading**.

- You will need to use mobile data or WiFi in order to play these episodes.
Guests

- Full guest bios are now available.
- These can be accessed from individual show pages as well as the Discover Screen.
- Guest profiles include a bio, the shows they’ve been part of and their website and books.

Benjamin Fuchs

BIography

Benjamin Fuchs is a registered pharmacist, nutritionist and cosmetic chemist and has been compounding custom medication, formulating nutritional and skin care products and consulting with doctors and patients since graduating from the University Of Colorado.
